N.B.—The Commissioner of Excise reserves the right to establish new warehouses at such other places within the contract area as he may deem suitable or to close existing warehouses.

3. Where both mahua and molasses are mentioned in the schedule the spirit may be made from either material or from a mixture of the two in any proportions.

4. As the whole contract will not be given to one party, tenders should be submitted for parts of the contract either with or without a tender for the whole area.

5. The rates tendered must include the cost of carriage of the spirit from the distillery to the warehouses and must specify the price per London-proof gallon at which the tenderer is prepared to sell the spirit to licensed vendors at any of the warehouses enumerated in the schedule and at any additional warehouse or warehouses that may be opened. Spirit will be issued at prescribed strengths only and the price to be realized from the licensed vendors will be proportionate, according to strength, to the price specified in the contract. The price is at first credited into the Government treasuries and is paid to the contractors after the close of each month. Under special orders the payment of price may be withheld for any reason.

6. Spirit intended for warehouses must be conveyed in sound watertight and approved vessels, and the contractors will be bound to pay duty on any deficiency in excess of the allowable limit, in accordance with the rules for the time being in force in the Province from which the spirit is conveyed to the warehouses.

7. The contractor will be required to purchase from the existing contractors at the current cost price for the warehouse in which such spirit is stored the spirit in stock at the warehouses, but he shall not be bound to take over a quantity in excess of the probable requirements for fourteen days. The contractor must deposit not later than 21st March 1921 in each warehouse stock of spirit from his own distillery, equivalent to the probable requirements for one month.

8. The spirit must have been made in the contractor's own distillery in India.

National Library,  
Calcutta-27.

13467 dl 24.8.57

9. In the case of the distillery not being situated in Bengal, the Commissioner of Excise will require satisfactory evidence that the plant is adequate to meet the total demands made upon the distillery, and he may require the contractor to instal additional stills and other accessories.
10. In case the Government premises at Runa in Tollygunge near Calcutta are used for the manufacture of spirit for wholesale supply, any additions to the existing buildings must be made at the expense of the contractor and he must maintain these and the existing buildings in repair. A fee of half an anna per proof gallon will be charged for the buildings and land.
11. The spirit intended for contract supply must be distilled at such strength as may be prescribed by the Excise Commissioner.
12. The contractor will be bound to provide all plant, viz., vats, pumps, pipes, etc., required for the storing, reducing and issue of liquor or, if there be any such plant belonging to the present contractor in the warehouses he will be required to purchase such plant which is in use and in serviceable condition at a valuation made, if necessary, in accordance with paragraph 20. All new plant proposed for erection must be approved by the Commissioner of Excise.
13. Water for reduction purposes is available at or near each warehouse, but the cost of conveying water, and of filtration, etc., must be borne by the contractor.
14. The contractor shall be bound to maintain at each warehouse such minimum daily stocks as may from time to time be fixed by the Commissioner of Excise.
15. The contractor must keep an agent at each warehouse and shall be responsible for reducing spirit to issue strengths and for all wastages and shrinkages.
16. Government shall not be held responsible for the destruction, loss or damage by fire, theft or any other cause whatsoever occurring to any spirit in the warehouse or in gauging, weighment or proof.
17. In case the contract be not renewed at its expiry the contractor will be bound to allow Government the right of pre-emption of the vats, pumps, pipes, etc., at a valuation made by two valuers according to paragraph 20 and in the case of the distillery being situated in this province this clause will apply to the distillery buildings and plant.
18. Form of grant and licence may be obtained from the Commissioner of Excise on application. The contractor will be bound by all the conditions entered therein and by the provisions of the Excise Act in force within the Presidency and by the rules and instructions of Government or the Commissioner of Excise issued under such Act.
19. For the observance of the conditions of the contract, the contractor must execute a deed, hypothecating to Government his vats, pumps, pipes and apparatus, together with the stock of liquor in the warehouses and deposit, at the time of signing the contract, Government Promissory Notes of such value as the Commissioner of Excise may direct.
20. Any valuations required will be made by two valuers—one to be selected by the Commissioner of Excise and the other by the existing contractors. In the event of differences in the valuations, the matter will be referred to Government, whose decision will be final.
21. The Commissioner of Excise is not bound to accept the lowest or any tender. Power is reserved to reject any of those received without reasons being assigned.
22. Tenders, enclosed in sealed covers and marked "Bengal Spirit Contracts," will be received up to the 28th February 1920, by the Commissioner of Excise, Calcutta, to whom application in writing only may be made for further particulars.

Chittagong, the 28th January 1920.

**Notification of Sale.**

TO be sold pursuant to an order, dated the 7th day of July 1919, as modified by an order, dated the 8th day of December 1919, both made by the Hon'ble the High Court of Calcutta in the matter of clause 13 of the Letters Patent and in the matter of Suit No. 203 of 1905 and in the matter of Execution Case No. <sup>204</sup>/<sub>22</sub> of 1907 of the Court of the 1st Subordinate Judge, Midnapore (Srimati Kristomani Dasi versus Prince Mahomed Bukhtyar Shah), by the undersigned the Official Receiver of the said High Court and the Receiver appointed in the said suit at his office in the Court-house on Saturday, the 14th day of February 1920, at 12 noon, the under-mentioned property :—

All that the right, title and interest vested in the undersigned as Receiver of the estate of the late Prince Mahomed Bukhtyar Shah, C.I.E., in the valuable mining rights in and about the Dalbhum mining estate, situate within the pargana and district of Singhbhum, thana Ghatala, sub-registry and chowki Chaibassa, and within thana and sub-registry Jhargram, in the district of Midnapore, being tauli No. 1, in the Singhbhum Collectorate, measuring, more or less, 1,100 square miles, bounded and butted on the north by the boundary of Silda pargana, in the district of Midnapore, and the boundary of Harababhum pargana in the district of Manbhum, on the east by the boundary of pargana Nayabasan Betyabera, pargana Janboni and pargana Silda, within the district of Midnapore, on the south by the boundary of Mayurbhanj, in the district of Cuttack, on the west by the boundary of pargana Serai-kela, in the district of Singhbhum, and known as the Dalbhum mining estate, which said premises are held under a Bengal Instrument of monrashi mukarari patta, dated the 27th day of Pous 1306 B.S., corresponding with the 10th day of January 1900, granted by Raja Satrugan Deo Dholal Deb, of Nursingarh, Raja of Dalbhum, to the said Prince Mahomed Bukhtyar Shah, and supplemented by an indenture, dated the 1st day of September 1919, made between James Edwin Scott, Deputy Commissioner of Singhbhum, in his capacity as Manager of the Dalbhum encumbered estate of the one part and the said Official Receiver as Receiver of the estate of the said Prince Mahomed Bukhtyar Shah, deceased, of the other part.

The entire property is believed to be rich in minerals. Out of the total area of 1,100 square miles about one-third of the whole area is at present covered by certain mining leases and prospecting licences granted in respect of gold, copper, iron ore, phosphate of lime, wolfram, kaolin, etc. These leases and licences at present yield a gross annual income of about Rs. 36,400 subject to certain royalties payable to the Dalbhum encumbered estate under the said patta and indenture.

A preferential right to purchase the said property was claimed by Mr. V. G. Pigott, but it has been held by the said High Court as declared in the said order of the 8th December 1919 that this preferential right claimed by the said Mr. Pigott, no longer exists. The said property will be sold subject to all existing mining leases and prospecting licences granted by the said Receiver, but free from all other encumbrances and attachments whatsoever including the said claims of Mr. Pigott.

If at this sale the undersigned considers that the highest bid offered for the estate in one lot is insufficient he will put the estate up for sale in the undermentioned lots :—

**Lot I.**—All the areas covered by the existing mining leases and prospecting licences.

**Lot II.**—The remainder of the estate over which no lease or licence has as yet been granted and which at present produces no income and covers an area of approximately 750 square miles.

Owing to the war, it has not been possible up to now to have this area properly surveyed by experts, but it is believed that it contains minerals which when properly developed will produce a handsome profit.

Full particulars of the leases and licences granted in respect of the said property and the areas covered thereby can be obtained from the office of the undersigned and will be produced on the day of the sale.

The abstract of title and conditions of sale may be seen at the office of Messrs. Orr, Dignam & Co., 32, Dalhousie Square, or at the office of the undersigned.

**OFFICE OF THE CHIEF INSPECTOR OF  
FACORIES, BENGAL.  
Prosecution under the Indian Factories  
Act.**

BEFORE the Subdivisional Officer at Barrackpore, the proprietors of several Rice Mills within the 24-Parganas were prosecuted under the Indian Factories Act

and fines ranging from Rs. 20 to Rs. 50 were imposed for non-compliance with section 33 of the Act.

**To whom it may concern.**

In accordance with this Government, Commerce Department, notification No. 3233Com., dated the 25th August 1916, the provisions of the Indian Factories Act, 1911, will apply to every factory situated within the town of Calcutta and the districts of the 24-Parganas and Howrah, wherein not less than 20 persons are, on any day, simultaneously employed. It has been brought to the notice of this Department that, although the notification was issued in 1916, a large number of factories within the areas have not yet submitted their notices as required by section 33 of the Indian Factories Act.

In most cases, when called upon to explain why particular factories have not been registered, the occupier or manager has invariably pleaded ignorance of the requirements of the Indian Factories Act and of the notification quoted above.

It is notified for general information that if any factory be found unregistered which would, in accordance with notification No. 3233Com., dated 25th August 1916, be registered as a factory, the occupier and manager may be jointly and severally prosecuted for breach of section 33 of the Act.

THE Bengal and Madras Service Family Pension Fund which is provisionally managed and assisted by Government has for its object the provision of monthly pensions for the maintenance of the widows and children of subscribers and is open, with certain exceptions, to all active and pensioned members of the Unconquered Service of Government (except those serving under the Government of Bombay), and to Local Fund servants earning pensions from Government. Some of the special features of the Fund are—(1) that widowed daughters incapable of remarriage or children labouring under such mental or bodily infirmities as incapacitate them from earning their livelihood or preclude the possibility of marriage (in case of a daughter) are admitted to its benefits; and (2) that subscribers to the Widows' and Daughters' branches are entitled to a refund of 30 per cent. of the premia paid, should the nominees predecease them after five years' of admission. The Fund is now of ten years' standing and has a balance of over three and a-half lakhs with Government on four per cent. interest. For forms of applications and rules of the Fund apply to the Comptroller, India Treasuries, Imperial Secretariat Buildings, Calcutta.

**Notification.**

**WHEREAS** owing to the happy termination of the War resulting in gradual increase of traffic, it appears to the Commissioners for the Port of Chittagong and to the Governor in Council of the Presidency of Fort William in Bengal that the ordinary revenue of the trust will improve so that the taxation on goods and shipping enhanced during the War can be modified:

Now, therefore, it is notified, for general information under section 58 of the Chittagong Port Act, 1914, (B. C. Act V of 1914) as amended by the Bengal Act V of 1918, that the said Commissioners propose, with the previous sanction of the Governor in Council, to levy, with effect from the 1st May 1920, a consolidated river due of twelve annas per ton on all goods landed from, or shipped into, any sea-going vessel lying or being within the limits of the said Port (except bunker coal and fuel oil, the rate of river dues on which will be four annas per ton, and cargo coal and fuel oil the rate of river dues on which will be six annas per ton) whether such goods shall or shall not be landed or shipped at any wharf, quay, stage, jetty or pier belonging to the Commissioners.

This draft notification will be taken into consideration on the 26th April 1920, and any objections or suggestions which are received by the Commissioners with respect thereto, before that date, will be duly considered.

K. C. DE, Chairman of the Commissioners  
for the Port of Chittagong.  
The 9th April 1920. (995—1)

**The Commissioners for the Port of Chittagong.**

**WHEREAS** owing to the termination of the War and the consequent revival of trade, which promises increased revenue to the Port Trust, it appears to the Commissioners for the Port of Chittagong and to the Governor in Council of the Presidency of Fort William in Bengal that the ordinary revenue of the Port after making reduction of some charges will be sufficient to meet the working expenses thereof and that it is, therefore, possible to reduce taxation on shipping:

Now, therefore, it is notified for general information, under section 57 of the Chittagong Port Act V (B. C.) of 1914, that with the approval of the Governor in Council, a reduction of fees for hauling vessels in and out of moorings will be made by the said Commissioners, with effect from the 1st May 1920 and until further orders as hereinafter set forth:

\*For mooring at, or unmooring from the fixed fore and aft mooring (with the use of heave-up boat) on each occasion from Rs. 64 to Rs. 32.

## Advertisement of sale.

NOTICE is hereby given that the undermentioned plots of land, no longer required by Government, situated on the right side of the Sara-Serajunj Railway, in the district of Pabna, will be put up to sale on the 16th August 1920.

The purchasers of the several plots of land will be subject to the following conditions:—

1st.—The purchasers will have no power to make any excavations on the land nearer than fifteen feet from the railway boundary, or to plough the land nearer than three feet from the same.

2nd.—If the amount of purchase-money does not exceed Rs. 100, the whole amount must be paid down at once.

3rd.—If the amount of purchase-money exceeds Rs. 100, one-fourth of the amount must be immediately deposited. If the balance be not paid by noon of the fifteenth day after the sale, reckoning the day of sale as one, or if that day be a close holiday, then by noon of the first succeeding office day, the sale shall be cancelled, the sum deposited being forfeited to Government, and the lot again put up for sale at the risk of the defaulting purchaser, after issue of advertisement, as in the case of original sale.

4th.—The plots of land will be sold revenue-free to the highest bidder.

5th.—The sale will become final on receipt by the Collector of the orders of the Commissioner confirming it, and a regular conveyance will then be granted to the purchaser.
